Formed in 2009 and featuring lead vocalist **Dan Reynolds**, guitarist **Wayne Sermon**, bassist **Ben McKee**, and drummer **Daniel Platzman**, Imagine Dragons earned a grassroots following by independently releasing a series of EPs. After Alex Da Kid signed them to his KIDinaKORNER/Interscope label, the band made its major-label debut with the release of ***Continued Silence***, a 2012 EP featuring the 2x platinum breakthrough single **“It’s Time.”** ***Night Visions*** arrived later that year and Imagine Dragons found themselves on a skyward trajectory that saw the album debut at No. 2 on the *Billboard* Top 200 Albums chart, sell nearly four million copies worldwide, and become the No. 1 album on Spotify Worldwide for 2013. ***Night Visions***’ second single, the 9x-platinum **“Radioactive,”** hit No. 1 on the *Billboard* Rock chart and earned the band a 2014 Grammy for “Best Rock Performance.” It is the best-selling rock song in U.S. digital history. The third single, **“Demons,”** hit No. 1 at Alternative and Top 40 radio, and has sold 3.9 million copies in the U.S. The band has sold more than 24 million tracks worldwide.
